

# CANARA

ENGINEERING COLLEGE

Established in 2001 | Affiliated to VTU

(Accredited with NAAC 'A' grade with 3.24 CGPA)

## An Autonomous Institution

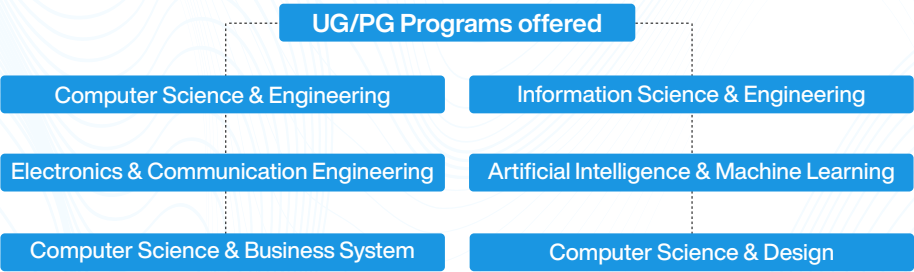

# Tradition inspires us, innovation drives us

- ▶ **135+ Years of Academic Excellence** with 25 years of engineering expertise, NAAC 'A' Grade accreditation, and now recognized as the **newest Autonomous Institution in Karnataka**.
- ▶ **Outcome-Based Education & Industry-Ready Curriculum**, with NBA-accredited programs in high-demand streams such as CSE, ISE, ECE, AI & ML, CSBS, and CSD.
- ▶ **Research & Innovation Driven**, with a strong focus on R&D, 15 student patents, DST-funded projects, and active participation in hackathons and competitions.
- ▶ **Proven Talent Pipeline** of 480+ graduates annually, trained with 300+ hours of technical and soft-skill development, achieving an **86% placement rate**, highest CTC of ₹23.68 LPA, and average CTC of ₹5.8 LPA.
- ▶ **Holistic Student Development** supported by a vibrant campus life, leadership programs, and a strong alumni network spread across industries.
- ▶ **Employer Recognition**, with recruiters consistently appreciating CEC graduates as adaptive, collaborative, and professional (e.g., Sclera, Sasken).
- ▶ **Robust Placement Ecosystem** featuring a dedicated placement cell, modern infrastructure (interview rooms, auditoriums, 350+ systems), and hybrid placement support.
- ▶ **Strategic Location in Mangaluru**, a vibrant educational hub with strong industry connections.

**“At Canara, we don’t just teach engineering, We ignite young minds to innovate, lead and shape a future the world is yet to imagine”**

# Future Growth Plans

Establishing Centers of Excellence (CoEs) in AI/ML, Cybersecurity, Data Science, IoT, and Sustainability.

Expanding Specialized Domain Training with certifications in Cloud, DevOps, Full Stack, Embedded Systems, and VLSI

Strengthening Industry Internships & Live Projects for real-world exposure and hands-on learning.

Enhancing Entrepreneurship & Innovation Ecosystem with incubation, startup support, and industry problem-solving initiatives.

**“Great institutions don’t just create engineers they build innovators and leaders”**

# Recruitment Process & Support

- **Proposed Placement Drive Window for Batch of 2026 :** 23.08.2025 - 31.12.2025
- **Flexible Modes :** Online / Offline / Hybrid Modes co-ordinated by a team of 12
- **Infrastructure:**
  - ▶ 6 Personal Interview Rooms
  - ▶ 4 Conference room for GDs
  - ▶ 350 Computers enables with 100 Mbps Internet
  - ▶ 2 auditorium with a capacity of 300 and 100 each
  - ▶ 2500 Seating Capacity Auditorium for Pool Interview

## Company / HR testimonials about the Alumni working

Partnering with Canara Engineering College has been a rewarding experience for us at Sclera. Right from the hiring process, the students showcased strong fundamentals, humility, and proactive participation.

What's even more commendable is their performance after joining us, they've adapted quickly, shown great initiative, and continue to contribute meaningfully to their teams. Their eagerness to learn and ability to collaborate seamlessly reflect the solid foundation built during their time at Canara. The placement process was smooth and well-coordinated, and we look forward to strengthening this partnership in the years ahead.

**- Manish, Talent Acquisition**

Sclera Technologies Pvt. Ltd

One of the great institutes in that region with excellent focus on academic and overall growth of the engineering students. Very supportive placement team, with good infrastructure. We hired a few bright minds from CEC and they are gems.

All the best for the placement and management team for your efforts and the support.

**- Gururaj Rao**

Head of Campus Connect Sasken Technologies Ltd

Dear CEC,

I would like to express my appreciation for the opportunity to engage with Canara Engineering College and for the collaboration during the campus recruitment process.

I am pleased to share that the students we onboarded from your institution have demonstrated strong foundational knowledge, a positive attitude toward learning, and a good level of professionalism. Their adaptability and enthusiasm to contribute have been noteworthy. We look forward to continuing this partnership and building a strong talent pipeline together.
